Charity Bike Ride

This September Dr Teresa and her husband Mike are cycling from **Land's End to John O'Groats !**

They'll regularly be posting photos of their journey on their fb page

They're doing it for fun and supporting
The British Lung foundation at the same time.

Dr Teresa says....

“My new touring bike is a Cannondale with a Cytronex motor on the front wheel with the battery on the front bottle cage. Just enough oomph to get me up the hills so that Mike doesn't need to pack an oxygen tent for me”.
